

Wayzata Youth Hockey Association

MN Hockey 'Participation Rule'

The new "Participation Rule" maintains the tradition of community hockey, but redefines association membership to be based on school attendance rather than residency. Some special provisions of the rule as it pertains to WYHA:

- 1) **Mite/8 & Under** players can choose to register either based on the association that covers the location of their residence OR the association that covers the location of the school they are attending.
- 2) **Squirt/10U** players and older must participate with their Association of School Attendance. Participation in any other Association must be by waiver.
- 3) Players must be attending school (public or private) within District #284 geographic boundaries for one year before they are eligible for "A" teams. **Note:** Private school and open-enrollees will be **required to provide school attendance verification** to the registrars before their registrations will be accepted.
- 4) For the **2009-2010** season, players who participated with WYHA during the 2008-2009 season but attended school outside of the District #284 boundaries will have a **one-time choice** to continue participation with their association of residence.

If the submitted address OR submitted school verification is found to be fraudulent all fees paid to WYHA will be forfeited and the players' registration denied.

Please contact the WYHA Registrars at registrar@wayzatahockey.org with any questions.
